DETAILED ACTION

Inventorship

1. Receipt is acknowledged of the statement requesting that Ilario Spano, the missing inventor, be added as a named of actual inventor. The inventorship has been corrected as requested.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows in order to comply with 35 U.S.C 112 second paragraph:

In claim 1:

Line 5, "the bracket member" was amended to –a bracket member—

In claim 14:

Lines 9 and 12, "hold" was amended to –hole--

Allowable Subject Matter

3. Claims 1-14 are allowed.
4. The following is an examiner's statement of reasons for allowance:

the prior art references either alone or in combination fail to disclose, teach or suggest a locking device for a steering column particularly comprising: a first locking

member having at least one hole, an engagement member displaceably received in the at least one hole and displaceable between a first position in which it projects beyond the first locking member by a predetermined length, and a second position in which it is displaced into the at least one hole against a biasing force of a spring located in the hole, and a second locking member having a plurality of receiving holes associated with the at least one engaging member, and wherein in the open and closed positions of the locking device, a distance between the first and second locking members is, respectively, greater and smaller than the predetermined length by which the engaging member projects. These structures in combination with other structures as recite in the claims define over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
